

NEGRO SHOT DOWN AT HIS OWN DOOR

James Siron, a White Man, in Jail Charged With the Crime.

REMARKS ABOUT HIS WIFE

Has Been Under Arrest Since Her Marriage for Keeping a Disorderly House.

(Special to The Times-Dispatch.)
MONTEREY, VA., November 6.—The foot murder of Calvin Morgan, a white man, by James Siron, a white man, is the subject of a trial in High Court today, and it is crowded with horror, not only by the fact of the killing, but by the fact that the man who killed Morgan is the husband of the woman who was charged with keeping a disorderly house.

The incident, which was reported on Saturday, left no doubt as to the fact that, although the question of motive was clearly established.

The house where the deed was committed is about midway between Monterey and New Market. Morgan's home is in the valley, while Siron's is on a hill, and the two are separated by a deep ravine. Morgan was shot on the hill, and the bullet entered his back, and he fell to the ground. Siron, who was with him, fled to his home, and was arrested by the sheriff.

Upon the remark made by Morgan, Siron rose up from a hiding place several feet away and called out, "I heard that, Cal. Morgan landed and answered, 'I heard you.' Siron then fired, and the bullet entered Morgan's back, and he fell to the ground. Siron then fled to his home, and was arrested by the sheriff.

No motive was felt, however, as the shooting took place in the open, and Siron was not hiding. Siron was charged with the crime, and was taken to jail.

In about thirty minutes, which would have given Siron time to go home and retrieve some clothing, he was taken to jail. Siron was charged with the crime, and was taken to jail.

COVERED FROM HEAD TO FOOT

With Crusted Scaly Eczema When One Month Old—Could Brush Scales Off Body—Young Lady is Now 17 Years Old and Skin is Without a Scar—Cured By

CUTICURA REMEDIES AT EXPENSE OF \$4.50

"When I was one month old I was taken with eczema. After being under the treatment of two doctors for one month and no improvement, my mother was advised by a druggist to try Cuticura Soap and Ointment. I was one crust of scales from head to foot. My mother could brush the scales off my body, and my finger and toe nails fell. After using six cakes of Cuticura Soap and about six cakes of Cuticura Ointment I was completely cured. I am now seventeen years old and my skin has not a scar. I am still finding wonders in Cuticura, after washing a fever blister two days it was completely gone. Your Cuticura friend, Miss Ella Glasscock, Oct. 27, 1905. Marksville, La.

The attention of parents is called to the fact that the Cuticura Remedies were used on a one month old baby with complete success, proving what we have always claimed that these great curatives are so pure, so sweet, and so delicately medicated that they may be used on the youngest infants.

CUTICURA REMEDIES

Are the Best for Skin and Blood

"About three years ago my face began to get rough with acne and kept getting worse. A year ago I read in a paper of the Cuticura Remedies for the skin and blood. I sent for them at once. I used the Cuticura Soap, Ointment, and Pills, and in three months my skin was soft and smooth, and the pimples have all disappeared without the services of a physician. I think the Cuticura Remedies are the best that any one can use for the skin and blood." May 6, 1905. Santa Paula, Cal.
